

Brush Service

Our brush truck is used daily and has greatly improved response time for brush being picked up at the curb. **Brush must be at the street in order to have picked up. A lot of the alleys are too tight for the truck.**

Remember to call to have brush picked up. If you notice a pile that has been there for a long time please call and give us the location so we can get it picked up and leave a tag to inform residents to give us a call in the future. Let's all work to Build a Better Bedford.

Automated Compost Truck in Service

The automated compost truck is in service. Green toters will be emptied with an automated truck. This will improve the response time and allow for daily pickups. Toters must be at the street in order to be picked up. Green toters will be picked up automatically on your trash day each week through November 1st. Remember to call to have your yard toter emptied from November 4th until March 28th 2025. We have toters available with the trash utility and the resident splitting the cost of the toter which is approximately \$26.00.

CITY OF BEDFORD TRICK OR TREAT OCTOBER 31ST

5:30 PM – 8:30 PM

VACUUM LEAF SEASON

All leaf season leaves that you want picked up with the vacuum **CANNOT** be bagged. Leaf season pickup begins October 20th and runs approximately to November 28th or even up into later December if needed on your trash day each week. Alleys with leaves are picked up by calling 812-279-9222. If you do not mulch your leaves, please rake them in a pile within 3 feet of the curb in your lawn, not in the street. Leaves clog storm drains if piled in the roadway. Please do not place leaf piles on water meter lids or too close to the trash toters. Leaves can be placed in yard waste toters year around and call to schedule pickup. No bags in yard waste toters. Yard waste toter cost is shared so 96 gallon is about \$26. 812-279-9222 to schedule pickup.

Honey Harvest Festival

**Saturday,
October 5, 2024
9am-1pm**

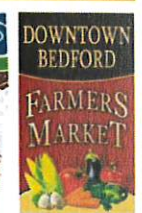

**Harp Commons
Downtown Bedford**

Enjoy this exciting festival in downtown Bedford.

Scheduled events include Bedford Beekeepers honey tasting, candle making, beekeeping presentation, learning hive, free flavored honey samples, and market items, including local honey and bees wax candle sales.

The Bedford Beekeepers, Master Gardeners, Hoosier National Forest, and Lawrence County Soil & Water Conservation staff will all be on hand to answer questions and discuss supporting pollinators. The event will include activities for kids and held in conjunction with the Bedford Farmer's Market.

To find out more about the event or how to participate, information is available online at www.downtownbedford.org/ or contact Marla Jones at (812) 277-6053, email marlahortonjones@gmail.com.
